Declaration:
I understand that participation in the Canberra Skeptics Ride for the Planet involves cycling on public roads used by other traffic and I am aware of the hazards involved. In my judgement I, my child and/or the members of my group or team (as appropriate) have sufficient confidence and experience to safely participate in the event. I hereby release, exempt and indemnify the organisers of the Canberra Skeptics Inc Ride for the Planet sponsors and all other persons involved in the organising or running of the event and I agree to waive any claim, right or course of action which I, my child or members of my group or team or any other person might have arising out of death or any personal injury, damage to property or any other loss whether due to any negligence or omission on the part of those organising or running the event that may be suffered in the course of or consequent upon entry or participation in the event.

I have read the above declaration and agree to it. If the entrant is under 18 years, a parent or guardian is to sign.
