

Want to be part of the team for Canberra's very first Glow Ride event?

Glow Ride is Canberra's first twilight bike ride and glow party, proudly brought to you by [Pedal Power ACT](#) with support from [Snedden Hall & Gallop lawyers](#).

This fun and adventurous family-friendly event will be held on Saturday 6 October at Yerrabi Pond Park to say goodbye to winter and welcome daylight savings.

We will light up Yerrabi Pond as we ride an easy 5 km loop around the lake, beginning at twilight and riding into the night and under the stars. After the ride there will be a family glow party at our event hub with spot prizes for the brightest bikes, glow face painting and family food and entertainment.

Like all of our community events, Glow Ride simply would not be possible without the support of our enthusiastic and dedicated volunteer community. Our event team is looking for Event Volunteers to help out in various roles before, during and after the event. No experience is required and training will be provided on event day.

When: Saturday 6 October 2018 from 3 – 9 pm
Shifts are approximately 2 – 4 hours
Where: Yerrabi Pond Park Gungahlin

Helping out is more fun with a friend, so sign up for a shift with a buddy and join our Glow Ride community.

Registration Assistant

- Help participants pick up their rider packs, and purchased items
- Help process registrations and purchase memberships (if event is not sold out)
- Be available to answer questions about event

Course Marshal

- Stand/sit on the course with large glow sticks to have a presence on the course, help with directions etc.
- Be available to assist riders or call for help if needed

Aid Station Volunteer

- Set up Aid Station at specified locations on the route
- Be available to assist riders or call for help if needed

- Hand out refreshments to riders

Set Up Volunteers

- Help set up event
- Manual handling including setting up marquees, lights etc.

On course Signage Assistant

- Help install directional signage around the course before the event

Clean Up Volunteers

- Help dismantle the event infrastructure

Transport Assistant

- Help move all event infrastructure to and from event hub to storage at Stromlo
- It's helpful if you have a trailer on your vehicle for this role
