

Type of Project	Description	Location
Missing Links	Sulwood Dr east-west bike path connection between Drakeford Dr and Athllon Dr. <i>[Note: a bike path project of this nature was highlighted in the 2019 election campaign by the Federal ALP for joint funding with the ACT Government]</i>	Kambah / Wanniasa
Crossing Upgrades	Sulwood Dr & Athllon Dr roundabout - develop a safer crossing arrangement on this major north/south bike path into/out of Tuggeranong (location also borders Brindabella electorate).	Kambah / Wanniasa
Missing Links	Improve linkages between main paths and town/group centres: (for example, the new separated bike path in front of the Woden Hellenic Club does not connect to Woden Town Centre. The path terminates at Bowes St pedestrian crossing with no signage or path markings to indicate how to continue riding or walking to the Woden Town Centre).	Woden / Cooleman Crt
Crossing Upgrades	The main north-south path where it crosses Theodore St at Melrose Dr.	Curtin
Separation Projects	Yarra Glen and Adelaide Ave: construct separated cycleways within the road/rail corridor (undertake early planning for active travel arrangements in the context of Light Rail Stage 2 – Civic to Woden).	Civic to Woden
Missing Links	Belconnen Bikeway: complete Hayden Dr works as originally planned with connection via Battye St to trunk path behind AIS stadium. And a link to Bruce from College St. <i>[Note: a project of this nature was highlighted in the 2019 election campaign by the Federal ALP for joint funding with the ACT Government]</i>	East Belconnen

Missing Links	Benjamin Way Bikeway: funding has only been provided for design work. A financial commitment is required for the construction phase.	Belconnen
Missing Links	Kuringa Drive Belconnen – completion of works to deliver an off-road path between Barton Hwy and Owen Dixon Drive.	Belconnen
Path Upgrades	Sullivans Creek to Barry Dr crossing at Marcus Clarke St: upgrade the path and improve the crossing to allow more room for bikes.	Civic
Path Upgrades	Sullivans Creek Path: complete the path widening not undertaken during the recent upgrade.	Inner North, Civic
Separation Projects	Walker/cyclist separation project along McCaughey St between Masson St and Barry Drive. <i>[This project was highlighted in the 2019 election campaign by the Federal ALP for joint funding with the ACT Government.]</i>	Turner
Missing Links	Improve connectivity to and around the Tuggeranong Town Centre- including establish connections to Anketell Street bike path at the southern end.	Tuggeranong
Crossing Upgrades	Improve crossing arrangement on the main north-south path at the Athllon Dr / Sulwood Dr roundabout (also borders the Murrumbidgee electorate)	Kambah / Wanniasa
Missing Links	Construct cycling links to get into and around the Gungahlin Town Centre. The town centre's existing cycling infrastructure is poor.	Gungahlin
