

## Pedal Power Social Rides

### ALERT

#### ACT Covid 19 Restrictions: Mandatory Face Masks

From 28/6/2021, wearing face masks is mandatory in certain public settings within the ACT. The settings include indoor retail venues and public transport venues.

Masks must be either single-use masks or reusable cloth masks. Scarves, bandannas, and face shields are not adequate substitutes for masks.

Pedal Power encourages all riders to carry a mask with them on Pedal Power social rides.

- Riders must wear a mask when entering any indoor retail premises before/during/after a ride.

Pedal Power also encourages riders to

- wear masks when gathering at the beginning or end of a ride
- maintain social distancing and good hand hygiene
- use the Check In CBR app at any venues you visit.

The wearing of masks is not required while participating on a ride.

For full details of the current restrictions and useful advice about how to wear and carry masks please refer to the ACT Health Covid 19 website
